She was one of the best TAs I've had so far at Drexel. She was very good at explaining everything and answering our questions during recitation.

Cassie was a great recitation instructor. Although she seemed overwhelmed at times, she was very helpful and extremely kind.

Cassidy was helpful and kind and never hesitated to re-explain concepts or help out those who needed more time understanding concepts.

Great teacher, understanding, kind. She was always ready to help and make sure we knew that we understood the concepts.
